

WRITING A LETTER TO THE EDITOR TO NEWSPAPERS SERVING
ROBERTSON & FALLS COUNTIES

Letters to the Editor are a widely read part of the paper. Have your say and write about the proposed coal plants. Use these tips when writing a Letter to the Editor:

- Use your own words.
- Mention your personal concerns, like mercury in local fish, or a relative with asthma.
- Avoid vulgar language.
- Say what you want to happen.
- Don't repeat others misinformation, just make your argument and state the facts.
- Remember to sign your name and put your town.
